

Assistant Prof. Nüket Paksoy Erbaydar, M.D., (member of HAMER's trainer group) attended "Seminar on the methods and contents of disaster awareness raising trainings for vulnerable groups" in Antalya, Turkey from 8 to 9 March, 2012. This seminar was organized by the Prime Ministry Disaster and Emergency Management Presidency. It was a part of "Disaster Management Training Programme for 2012" which was conducted by "the Disaster Preparedness and Prevention Initiative for South Eastern Europe (DPPI SEE)". Twenty-two persons from 9 countries of South Eastern Europe (Albania, Bulgaria, Croatia, Macedonia, Moldova, Romania, Serbia, Slovenia and Turkey) participated in the seminar. Assistant Prof. Nüket Paksoy Erbaydar was a trainer in the session entitled "Gender based disaster management".
